I would like to lodge my
objections to the Super Dump in
Newlt, Co Dublin.

I can't understand the logic
in putting a dump, a super dump,
in an area which already houses a
dump and has done for numerous of
years.

Please reconsider your choice
as Lusk already hosts a dump,
juvenile prison, and St Manon's will
soon have a prison too

Is North County in your eyes
just one big Super Dump for
everything!!!
