re: Notice in accordance with Article 36 of the Waste Management (Licensing) Regulations, in respect of a Waste Licence Application by Brownfield Restoration Ireland Ltd for a facility at Brownfield Restoration Ireland Ltd, Whitestown Lower, Co Wicklow.

Dear Mr Walton,

In accordance with Article 36 of the Waste Management (Licensing) Regulations, the Agency hereby notifies you of its decision to grant a waste licence subject to conditions to Brownfield Restoration Ireland Ltd in respect of a facility at Brownfield Restoration Ireland Ltd, Whitestown Lower, Co Wicklow.

Please find accompanying a copy of the Agency's decision.

The Agency's decision was made following consideration of the objections to the Agency's proposed decision in the matter in accordance with the Waste Management Acts, 1996 to 2005 and related Regulations. The objections, technical committee report, final decision and associated documents are available for inspection or purchase at the Agency's headquarters.

The licence does not permit the mixed waste landfill and restricts the range of activities to only those associated with the remediation of the historically deposited waste including the deposition of any recovered inert waste in excavated areas.

Please note that the waste licence register number assigned to this application is W0204-01. Please use the register number in any future communications in respect of this matter.

In accordance with Article 36 of the Waste Management (Licensing) Regulations, the Agency hereby notifies you of its decision to grant a waste licence subject to conditions to Brownfield Restoration Ireland Ltd in respect of a facility at Brownfield Restoration Ireland Ltd, Whitestown Lower, Co Wicklow.

Please find accompanying a copy of the Agency's decision.

The Agency's decision was made following consideration of the objections to the Agency's proposed decision in the matter in accordance with the Waste Management Acts, 1996 to 2005 and related Regulations. The objections, technical committee report, final decision and associated documents are available for inspection or purchase at the Agency's headquarters.

The licence does not permit the mixed waste landfill and restricts the range of activities to only those associated with the remediation of the historically deposited waste including the deposition of any recovered inert waste in excavated areas.

Please note that the waste licence register number assigned to this application is W0204-01. Please use the register number in any future communications in respect of this matter.

re: Notice in accordance with Article 36 of the Waste Management (Licensing) Regulations, in respect of a Waste Licence Application by Brownfield Restoration Ireland Ltd for a facility at Brownfield Restoration Ireland Ltd, Whitestown Lower, Co Wicklow.

Dear Ms McMullen,

In accordance with Article 36 of the Waste Management (Licensing) Regulations, the Agency hereby notifies you of its decision to grant a waste licence subject to conditions to Brownfield Restoration Ireland Ltd in respect of a facility at Brownfield Restoration Ireland Ltd, Whitestown Lower, Co Wicklow.

Please find accompanying a copy of the Agency's decision.

The Agency's decision was made following consideration of the objections to the Agency's proposed decision in the matter in accordance with the Waste Management Acts, 1996 to 2005 and related Regulations. The objections, technical committee report, final decision and associated documents are available for inspection or purchase at the Agency's headquarters.

The licence does not permit the mixed waste landfill and restricts the range of activities to only those associated with the remediation of the historically deposited waste including the deposition of any recovered inert waste in excavated areas.

Please note that the waste licence register number assigned to this application is W0204-01. Please use the register number in any future communications in respect of this matter.
