Dear Mr Jordan

I am to refer to your letter of 12/08/2006 to An Bord Pleanála, that was forwarded to the Agency by Dublin City Council, in relation to an application for a waste licence reference number W0232-01, by Dublin City Council, in respect of a facility at Dublin Waste to Energy Project, Pigeon House Road, Poolbeg Peninsula, Dublin 4.

Having regard to the fact that you are objecting to the waste licence application, I am to advise that your letter will be treated as a submission and will be taken into account when determining the application, in so far as it relates to environmental pollution for the activity itself. Traffic control/management are matters for the planning authority and An Bord Pleanála.

The application and associated correspondence, including acknowledgements, notifications and general correspondence are available to view on the Agency Website at www.epa.ie/licensing and also on the public file as they arise, that file may be inspected by any person during office hours at the Agency's headquarters.

Copy extracts from the file will be supplied by the Agency to any person, on request, subject to payment of the reasonable cost of making the copy.

You are advised to refer to the public file for information on the progress of the application. The Agency will write to you to inform you of its proposed decision on the application in due course.

Please direct any further correspondence in relation to this matter to Administration, Office of Licensing & Guidance, Environmental Protection Agency, Headquarters, P.O. Box 3000, Johnstown Castle Estate, County Wexford.
