3. Recommended Decision on a Waste Licence

**Licensee: McGill Environmental Systems (Ireland) Ltd
Ballynalurgan
Kilmainhamwood
Kells
Co Meath**

Register of Licence No 195-1

The Directors considered a recommendation from the Office of Licensing and Guidance that the Agency approve the recommended decision. The following documentation was submitted: proposed decision; 22 third party submissions, including 3 additional submissions received after the preparation of the Inspector's Report; summary report of the Inspector. A copy of the licence application was tabled.

The Directors noted that the Inspector had considered all points raised in the three additional submissions received and that these issues had also been dealt with in earlier submissions.
