Reg No: 163-1

Dear Ms Farrell

I refer to your letter received by Agency on 13th April 2006 in respect of your request for a Technical Amendment of your existing licence Reg. No. 163-1.

The Agency has considered your request and wish to advise that the change can be accommodated without a licence review. The Agency has amended your Licence Reg. No. 163-1 under Section 42B(1)(c) of the Waste Management Acts 1996 to 2005 to incorporate the limited change requested. These amended conditions form part of your licence and should be read in conjunction with your existing licence.

Attached is the formal Waste Licence Technical Amendment which should be attached to the existing Licence Reg. No. 163-1.

If you have any further queries please contact Inspector Pernille Hermansen at telephone no. 053-60600.

Yours sincerely,

Noeleen Roche
