Reg No: 196-1

Dear Mr MacAnulty

I refer to your letter submitted in respect of your existing licence which was received by the Agency on the 9<sup>th</sup> September 2005 and further information received on the 28<sup>th</sup> October 2005.

The Agency has considered your request to change *Schedule A.1 Waste Acceptance* and wishes to advise that the change can be accommodated by a technical amendment without a licence review. The Agency has, by the attached technical amendment, replaced footnote 2 of *Schedule A.1 Waste Acceptance* of your Licence Reg. No. 196-1 under Section 42B(1)(c) of the Waste Management Acts 1996 to 2005 to incorporate the limited change requested. Footnote 2 is replaced by the following:

Note 2: Hazardous waste types as listed in Table E.2.2 *Hazardous Waste Types and Quantities* of the application or other compatible hazardous waste as may be approved in writing with the Agency.

Attached is the formal Waste Licence Technical Amendment which should be attached to the existing Licence Reg. No. 196-1.

If you have any further queries please contact Patrick Byrne at telephone no. 01-2680100.

Yours sincerely

Noeleen Roche
