**DECISION**

W0233-01

TechRec Ireland Limited

TechRec Ireland Ltd, Unit 51, Park  
West Industrial Estate, Nangor Road,  
Dublin 12**Re: Proposed Decision on an application for a Waste Licence**

**PD** I have considered the application, all submissions by third parties together with the inspector's report and recommended proposed determination in relation to the above referenced application

I approve the recommendation as submitted subject to the following changes and clarifications

**Clarify need for Condition 3.8.5**

**C5.4 – insert a comma after litter in second bullet point**

**C6.14 – amend to read**

6.14 Particulate and Metal Emissions

The licensee shall within 6 months of grant of licence carry out an emissions monitoring study, when operating at full capacity, at locations A1-1 and A2-1 as per drawing No 20 of the application, to confirm metals levels (see Schedule C 6 - Note No.1) and total particulate emissions as referenced in the Attachment F1 licence application.

**Clarify if there is a conflict between the 6 months and the full capacity mentioned in this revised condition**

**Condition 8.10.3 – replace 'tipping' with 'unloading'**

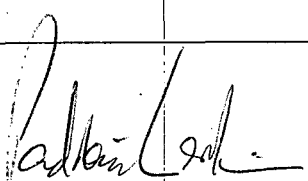

**Clarify need for Condition 9.4.4**

**Clarify need for Condition 11.11 (and associated reference in Schedule F)**

**Clarify need for Condition 11.12**

**Clarify need for Condition 11.13 (i)**
