An Bord Pleanála

Re: Proposed Landfill at Tooman/Nevitt, North County Dublin

Dear Madam,

I have been asked by An Bord Pleanála to refer to the above mentioned case.

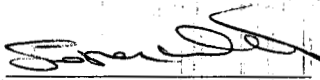

Please be advised that the Board intended to determine the above case by the 19th of January, 2007. However, due to the volume of submissions made in respect of this case and the complexity of the matters raised therein the completion of the inspector's report has been delayed and the Board regrets that it is not now in a position to determine the above matter before that date.

The case will be determined as soon as practicable when the inspectors report has been received and when the Board's detailed consideration of the matter has been completed. In this regard please note that while a definite date for the determination of the case cannot be indicated I can advise that most cases are decided within a relatively short period of their being formally considered for the first time at Board level.

If you have any queries in relation to the matter please contact the undersigned officer of the Board.

Please quote the above-mentioned An Bord Pleanála reference number in any correspondence or telephone contact with the Board.

Yours faithfully,

Siobhan White
