Reg No: 25-2

Dear Mr. Mulholland

I refer to your letter submitted under Section 15 of the EPA (Licensing) Regulations 1994 to 2005 in respect of your existing licence which was received by the Agency on the 26th September, 2005.

The Agency has considered your request to change Schedule A: Waste Acceptance of your licence, the change can be accommodated without a licence review. The Agency has amended Schedule A of your Licence, Reg. No. 25-2 under Section 42B(1) (c) of the Waste Management Acts 1996 to 2005 to incorporate the limited change requested. The amendment shall form part of your licence and shall be read in conjunction with your existing licence.

Attached is the formal Waste Licence Technical Amendment which should be attached to the existing Licence Reg. No. 25-2.

If you have any further queries please contact Ms. Breege Rooney at telephone no. 053- 60688.

Yours sincerely
