REF: WO231-01 FCC PROPOSED LANDFILL AT NEVITT LUSK, CO DUBLIN.

Dear Ian,
Enclosed please find two CDS containing the information on the water levels at various boreholes within the study area of the proposed site, as discussed in our recent email communications.

These recordings were made on the 15/10/06 and 31/01/07 respectively by mr Declan White (engineer)

This information is being offered as a submission as evidence of the hydrogeological conditions pertaining within the Proposed site.

Yours sincerely

Shay Lunnery
