Re: Waste Licence– South East Recycling Company Limited, for a facility located at South East Recycling Company Ltd, South East Recycling Centre, Carrigbawn, Pembrokestown, County Wexford.

Dear Mr. Mernagh

I refer to the Agency's letter dated the 7 March 2007, which stated that the Board of the Agency granted a refund of 50% of the application fee. The amount stated in that letter was €5,000, however further assessment indicates that the amount of the refund should in fact be €4,000.

The appropriate fee for a review of a waste licence for

- The recovery of waste and
- The disposal of waste where the annual intake is less than 25,000 tonnes.
- Is €12,000.

The fee amount received was €10,000 and if the application had not been withdrawn, the Agency would have requested the outstanding amount of €2,000. Therefore the Agency retains €6,000 and €4,000 is to be refunded to you.

Arrangements are being made to have a cheque for €4,000 forwarded to you in due course.

Yours sincerely,

Catherine O'Keeffe
