Subject: oral hearing belmullet

Dear sir/madam.

Reference

Licence reg numberPO738-01 Shell E&P bellenaboy bridge gas terminal.

My name is William Walker, I am Chairperson of a lobster re-stocking group in Co. Mayo.

We have submitted an objection to the proposed IPPC Licence to Shell E&P.

We intend to have Professor Peter Matthiessen (a aquatic eco-toxicologist) speak at the oral hearing on our behalf.

I have contacted Professor Matthiessen, with the details of the dates of the oral hearings, and he informs me that he is only available to travel to Ireland (from the UK) for either the 16th or 17th of April, due to prior commitments.

I request that if at all possible you accommodate the Professor and allow him to speak on our behalf on either of those two days(preferably the 16th), as we as lay people don't have the qualifications to debate the arguments we believe need addressing.

yours sincerely.
William Walker
