RE: Application for the Review of Waste Licence Ref. No. W0111-01
South East Recycling Co. Ltd, Carrigbawn, Pembrokestown, Co. Wexford

Dear Ms. Murray,

I refer to the above application and in particular to the response to the Article 14(2)(b)(ii) Further Information Request submitted on the 22nd March 2007. We have noticed that an incorrect management structure was submitted in the response to Request No. 12. The correct response follows.

12 Clarify if the staff referred to in Section 12.0 of the AER 2005, denotes the total staff compliment for the facility.

The existing management structure is shown on the table below.

In addition to the Management Staff listed below, there are twenty three (23) drivers, ten (10) operatives and administrative and sales staff attached to the facility.

My apologies for any inconvenience caused. If you have any queries, please call me.

Yours sincerely,

Jim O'Callaghan
