re: Waste Licence Application on behalf of Dublin Port Company in respect of Graving

15 June 2007

W0235-01

Dock No 1, Alexandra Quay East, Berth 50 at Alexandra Road, Dublin 1.

Dear Mr Farrell

I refer to your application for a waste licence received on 18th April, 2007.

I am to advise that pursuant to the Waste Management Acts, 1996 to 2005 and having regard to the scale and purpose of the activity, which is the subject of the application, the Agency considers that a waste licence is not necessary for the activity. This activity would more appropriately be carried out under a waste permit from the local authority. You are required to contact your local authority in this regard.

Arrangements are being made to have your application and a cheque for the fee of €10000 returned to you.

I am to advise that it is no longer the function of the Agency to consider any documentation received by it in relation to this application.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Yvonne Clooney', written over a horizontal line.
