Dear Mr Cannon

Applicants to the Agency for Integrated Pollution Prevention and Control (IPPC) or waste licences, along with the holders of such licences, are requested to note that the Agency's web site includes information about all such applications and licences.

As you are aware, the Agency has a policy of openness and transparency in relation to access to information. As one means of fulfilling that policy commitment, the Agency's web site includes, as a minimum, the following information:

- Names, addresses, Reg. Nos. and classes of activity of applicants and licensees.
- The Agency's proposed determination and final decision (to grant or refuse) on each licence application.
- A copy of each IPPC and waste licence granted by the Agency.
- Other information, as the Agency considers appropriate.

There are also links to guidance documents, legislation and publications that may be of interest, through the IPPC Licensing and Waste Licensing sections. The EPA's web site address is <http://www.epa.ie>.

Yours sincerely
