

~~W0219-01~~

W0219-01

Extract from the 508th Licensing Meeting of the Agency held on 1 May 2007 in Headquarters, Johnstown Castle Estate, Wexford.

2. Minutes of Meeting held on 24 April 2007

Under Item 7, Confidential Information *SAFC Arklow Limited*, Register of Licence No P0089-02 the last sentence of the paragraph was amended to read: *The Directors decided that the possibility of returning the documentation to the licensee for resubmission in a non-confidential format should be explored.*

The Minutes of the Meeting held on 24 April 2007, thus amended, were approved. It was confirmed that all of the matters for clarification raised at the meeting had been clarified to the satisfaction of the Board.

3. Recommended Determination of an Application for an IPPC Licence

(i) Licensee: **Glanbia Foods Society Limited**
Ballitore,
Athy,
Co Kildare

Register of Licence No: **P0810-01**

The Directors considered a recommendation from the Office of Licensing and Guidance that the Agency approve the recommended determination to grant an IPPC licence. The following documentation was submitted: recommended determination; one submission from Kildare County Council; summary report of the Inspector. A copy of the licence application was tabled.

P Larkin gave a verbal presentation.

Inspector's Report

The Directors noted the Inspector's Report.

Recommended Determination

Condition

- 3.12 Amend from twelve months to six months (line 4)
- 3.16 Amend line 3 to read... *and be capable of treating all effluent*
- 6.16 Amend sentence to read... *Laboratory chemical waste shall not*
- 8.11 Amend line 4 to read. ...*groundwater and surface water and is fit for purpose.*
- 10 Insert the standard IPPC facility conditions at 10.2 & 10.3
- 12.2 Insert the standard IPPC facility ELRA conditions after this

Following discussion the Directors deferred a decision pending clarification of the Inspector's Report on the use of 95%ile river flow to determine the assimilative capacity for ortho-P. P Regs refer to the median value so assimilative capacity should be calculated using 50%ile flow.

(ii) *Licensee:* **Cara Partners Limited Partnership
Little Island
Co Cork**

Register of Licence No: P0017-02

The Directors considered a recommendation from the Office of Licensing and Guidance that the Agency approve the recommended determination to grant an IPPC licence. The following documentation was submitted: recommended determination and summary report of the Inspector. A copy of the licence application was tabled. The Directors noted that this is a review of an existing IPC Licence, Register of Licence No P0017-01 which was granted by the Agency to Cara Partners Limited Partnership on 4 August 1995.

P Larkin gave a verbal presentation.

Inspector's Report

The Directors noted the Inspector's Report.

Recommended Determination

Condition

- 3.2.1 Clarify the requirement to provide and maintain an Installation Notice Board within six months of date of grant of licence.
- 3.8 Clarify the requirement to install and maintain silt traps and oil separator at the installation, within eighteen months of date of grant of licence
- 11.11 Amend last sentence to read – *The details from the register.....*

The Directors approved the recommended determination to grant a licence, as modified, to Cara Partners Limited Partnership for their facility at Little Island, Co Cork, Register of Licence No P0017-02, subject to the conditions as set out in the licence document.

(iii) *Licensee:* **Kerry Ingredients (Ireland) Limited
Rathgoggan Middle
Charleville
Co Cork**

Register of Licence No: P0386-02

The Directors considered a recommendation from the Office of Licensing and Guidance that the Agency approve the recommended determination to grant an IPPC licence. The following documentation was submitted: recommended determination; summary report of the Inspector. A copy of the licence application was tabled. The Directors noted that this is a review of an existing IPC Licence, which was granted by the Agency to Golden Vale Food Products Limited on 25 November 1999 and transferred to Kerry Ingredients (Ireland) Limited in 2004. Technical Amendments to the licence were issued on 1 August and 27 September 2006 to allow burning of heavy fuel oil in two boilers.

P Larkin gave a verbal presentation.

Inspector's Report

The Directors noted the Inspector's Report.

Recommended Determination

Condition

- 5.4 Amend 1st sentence to read: *The licensee shall, within six months of date of grant of this licence, establish a programme of measures, based on consultation with Limerick County Council and Cork County Council and agreed by the Agency, for the improvement (S.I. 258 of 1998).*
- 5.5 Amend to read:
Reduction in Emissions
Emissions specified in Schedule B.1: Emissions to Air shall be reduced as soon as is practicable and in a manner consistent with safety and the protection of the environment where the concentration of particulate matter (PM₁₀) or Sulphur dioxide emissions exceeds or is likely to exceed the air quality standards specified in S.I. no. 271 of 2002 at the ambient monitoring station.
- 8.11.1 Amend 2nd sentence to read: *Alterations to this landbank are subject to prior written agreement by the Agency.*
- 8.11.4 Amend 1st sentence to read: *All landspreading activities shall be undertaken in accordance with a Nutrient Management Plan which must be to the satisfaction of the Agency and agreed in advance by the Agency.*

The Directors approved the recommended decision to grant a licence, as modified, to Kerry Ingredients (Ireland) Limited for their facility at Rathgoggan Middle, Charleville, Co Cork, Register of Licence No P0386-02, subject to the conditions as set out in the licence document.

- (iv) *Licensee:* **Swords Laboratories t/a Bristol-Myers Squibb
Cruiserath
Cruiserath Road,
Mulhuddart,
Co Dublin**

Register of Licence No: P0552-02

The Directors considered a recommendation from the Office of Licensing and Guidance that the Agency approve the recommended determination to grant an IPPC licence. The following documentation was submitted: recommended determination; one submission from Fingal County Council and summary report of the Inspector. A copy of the licence application was tabled. The Directors noted that this is a review of an existing IPC Licence, Register of Licence No P0552-01, which was granted by the Agency to Swords Laboratories t/a Bristol Myers Squibb Cruiserath in October 2000.

P Larkin gave a verbal presentation.

Inspector's Report

The Directors noted the Inspector's Report.

Recommended Determination

Condition

- 5.8 Amend to read: *The licensee shall ensure that the effluent discharged to sewer shall not contain petroleum hydrocarbons or organic solvents (including chlorinated organic solvents) that would give rise to inflammable or explosive vapours in the sewer.*
- 8.9 Amend to read: *Only Liquid/aqueous wastes and vapours generated from the activity..... for acceptance at the on-site Liquid/Vapour Incinerator shall be incinerated on-site.*

The Directors approved the recommended decision to grant a licence, as modified, to Swords Laboratories t/a Bristol Myers Squibb Cruiserath for their facility at Cruiserath Road, Mulhuddart, Co Dublin, Register of Licence No P0552-02, subject to the conditions as set out in the licence document.
