Re: Notice in accordance with Article 14(2)(b)(ii) of the Waste Management (Licensing) Regulations

Dear Mr. Naughton,

I am to refer to the above referenced application for a waste licence review relating to a facility at Nurendale Ltd. t/a Panda Waste Services Ltd., Beauparc, Rathdrinagh, Navan, Co. Meath. Having examined the documentation submitted, I am to advise that the Agency is of the view that the documentation does not comply with Article 12 of the Waste Management (Licensing) Regulations.

You are therefore requested, in accordance with Article 14(2)(b)(ii) of the regulations, to take the steps and supply the information detailed below:

- In the licence review application submitted to the Agency, reference is made on page 8 to the landfilling of non-recyclable residual waste. Please provide details of the location of the landfill(s) in question.
- In response to Article 12 (1)(g), the application states that the recycling of end-of-life tyres and end-of-life vehicles is proposed for the site. Please provide details of the existing or proposed infrastructure to cater for the handling of this waste stream.
- The application states that planning permission (file no. SA 60656) for the proposed additions to the site infrastructure is currently under consideration with the Planning Department of Meath County Council. Please provide the Agency with details of the planning application and the decision of the Planning Department at your earliest convenience.

Your reply to this notice should include a revised non-technical summary which reflects the information you supply in compliance with the notice, insofar as that information impinges on the non-technical summary.

In the case where any drawings already submitted are subject to revision consequent on this request, a revised drawing should be prepared in each case. It is not sufficient to annotate the original drawing with a textual correction. Where such revised drawings are submitted, provide a list of drawing titles, drawing numbers and revision status, which correlates the revised drawings with the superseded versions.

Please supply the information in the form of a one original plus two copies within **four** weeks of the date of this notice. In addition please submit two copies of the requested information in electronic searchable PDF format on a CD-ROM to the Agency. Please note that all maps/drawings should not exceed A3 in size.

Please note that the application's register number is **W0140-03**. Please direct all correspondence in relation to this matter to Donal Grant, *Licensing Unit, Office of Climate Change, Licensing & Resource Use, Environmental Protection Agency, Headquarters, PO Box 3000, Johnstown Castle Estate, County Wexford* quoting the register number.

Yours sincerely,

Donal Grant
