re: Waste licence application by Carbury Compost Limited in respect of a facility at Carbury Compost Limited, Drummin, Carbury, County Kildare,

Dear Mr & Ms Corcoran,

I am to acknowledge receipt of your correspondence to the Agency dated 06/06/07 received on 27/06/07, in relation to the above referenced waste licence application.

I refer to the Agency's notification to you on 13 June 2007 informing you of its proposed decision on the above application. The proposed decision sets out the requirements in relation to objections in accordance with the Waste Management Acts, 1996 to 2005 and associated Regulations.

I am to advise that, as the application process has reached the stage where the Agency has made its proposed decision, the Agency is prohibited from considering any objection which does not fulfil the requirements of Section 42 of the Waste Management Acts, 1996 to 2005. As your correspondence does not fulfil those requirements, for the reasons set out below, the Agency cannot consider it and consequently it is returned herewith.

Section 42(4) of the Acts

Objection not accompanied by
the appropriate fee, i.e. €200.

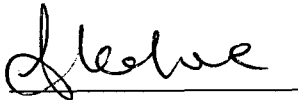

It should be noted, however, that the Agency is committed to openness, fairness and transparency in its decision making process and I can assure you that you will have access to all documentation in relation to this licence application including the report and recommendations of the technical committee (if valid objections are received in relation to the proposed decision) and the final decision of the Agency.

A copy of your letter has been sent to the Office of Environmental Enforcement for reply in relation to the current Licence W0124-01.

I have enclosed a copy of the Agency's Proposed Decision, which is to **refuse** to grant a revised licence to Carbury Compost Limited.

Yours sincerely,
