

## Extract from the 516<sup>th</sup> Licensing Meeting of the Agency held on 24<sup>th</sup> July 2007, in Headquarters, Johnstown Castle Estate, Wexford

The Directors deferred consideration of this item to the meeting on 16 October 2007.

(iii) *Licensee:*       **Waterford City Council**  
                              **Green Road**  
                              **Waterford City**  
                              **Co Waterford**  
*Register of Licence No:* **W0234-01**

The Directors considered a recommendation from the Office of Climate, Licensing & Resource Use that the Agency approve the recommended decision to grant a Waste Licence. The following documentation was submitted: recommended decision and summary report of the Inspector. A copy of the licence application was tabled.

P Larkin gave a verbal presentation.

### **Inspector's Report**

The Directors noted the Inspector's Report.

p.6 *Emissions to Sewer*

Clarify that storm water runoff is treated in the same way as leachate.

### **Recommended Decision**

#### *Introduction*

Amend 4<sup>th</sup> sentence in 2<sup>nd</sup> para to read: *The site has operated under a Certificate of Registration.....September 2005.*

#### *Condition*

3.15 Insert new 2<sup>nd</sup> sentence detailing what the odour management plan should include.

3.20.1 Delete the 1<sup>st</sup> sentence and insert new final sentence as follows: *Appropriate infrastructure for the composting of waste shall be established and maintained at the facility before commencement of the licensable activity.*

3.24.1 Amend to read: The licensee shall, *before commencement of the licensable activity*, install and maintain an appropriately sized leachate holding tank on site.

3.24.2 Insert a specific reference to the relevant section of the application documentation

3.24.4 Amend 2<sup>nd</sup> sentence to read: The proposed treatment method shall be *as agreed, in advance, by the Agency.*

5.4 Amend 1<sup>st</sup> sentence to read: Trade effluent, leachate and/or contaminated storm water shall be discharged.....holding tank.

6.15.2 Insert a new subcondition (vi) to read: *Design of odour abatement submitted to the Agency for approval prior to installation.*

11.14 Clarify the use of sewage sludge in the process.

#### *Schedule*

A.2 Clarify the reference to Condition 3.22.3 under Note 2 and amend if necessary.

C.6 Insert full reference to the Composting Association under Note 4.

D Amend 1<sup>st</sup> line of Specified Engineering Works table to read: *Development of the facility including installation of waste handling, processing, recycling/recovery infrastructure as well as any abatement system(s).*

The Directors approved the recommended decision to grant a licence, as modified, to Waterford City Council for their facility at Green Road, Waterford City, Co Waterford, Register of Licence No W0234-01, subject to the conditions as set out in the licence document.
