RE: Application for Approval to carry out Development by Cork City Council under Section 175 (3) of the Planning and Development Act, 2000.

A Chara,

Cork City Council is applying to An Bord Pleanála for consent to carry out development at Beaumont Quarry, in the townland of Ballinlough and Ballintemple, Cork City. It is proposed to fill this dis-used quarry with inert waste and restore same for use as public open space

An area of approximately 2.5 hectares of the 3.5 hectares of the total area of the site of the proposed development will be used for the deposition of approximately 250,000 tonnes of inert waste, to be carried out over a 2-3 year period. The maximum quantity of waste to be accepted will be 125,000 tonnes per annum. The waste to be deposited includes sub-soil, rock and other excavation materials, broken bricks, concrete, hardcore and other similar non-hazardous and non-biodegradable substances. A bulldozer or other tracked machine will be used to place these materials in their final position. The remainder of the site is proposed to be used for additional ancillary infrastructure and buffer zones.

On completion, the site will be used as public open space for recreational purposes. Having considered the requirements of Article 121 of SI 685 of 2006, the Planning and Development Regulations, copies of the application and the EIS for the development have been sent to:

- The Minister for Environment Heritage and Local Government
- The Heritage Council
- An Taisce
- An Chomhairle Ealaíon
- Fáilte Ireland

COMHAIRLE CATHRACH
CHORCAÍ
CORK CITY COUNCIL

In the Matter of the Planning and Development Acts 2000 to 2006 and in the Matter of an Application to An Bord Pleanála for Development Approval for the Filling of the Dis-used Quarry at Beaumont in the Townlands of Ballintemple and Ballinlough in the City of Cork

Notice is hereby given that Cork City Council, having its principal offices at City Hall in the City of Cork intends to seek an approval under section 175 of the Planning and Development Act 2000 and Part 10 of the Planning and Development Regulations 2001-2006 from An Bord Pleanála for the filling of Beaumont Quarry in the townlands of Ballintemple and Ballinlough in the City of Cork. The Board may give approval to the application with or without conditions or may refuse the application for development.

It is proposed to fill this dis-used quarry with inert waste and restore it for use as public open space ("the proposed development"). An environmental impact statement (EIS) has been prepared for this proposal.

An area of approximately 2.5 hectares of the 3.5 hectare site of the proposed development will be used for the deposition of approximately 250,000 tonnes of inert waste, to be carried out over a 2-3 year period. The maximum quantity of waste to be accepted will be 125,000 tonnes per annum. The waste to be deposited includes sub-soil, rock and other excavation materials, broken bricks, concrete, hardcore and other similar non-hazardous and non-biodegradable substances. A bulldozer or other tracked machine will be used to place these materials in their final position. The remainder of the site is proposed to be used for additional ancillary infrastructure and buffer zones.

The principal elements of the proposed development consist of the following:

- A contained filling area of 2.5 hectares approx. comprising of a floor liner on the quarry base and wall liners at the sides of the quarry

Planning Notices

- A contained filling area of 2.5 hectares approx., comprising of a floor liner on the quarry base and wall liners at the sides of the quarry
- A temporary surface water retention pond during filling activities
- Site infrastructure comprising a temporary site office, weighbridge, wheel-wash, car parking facilities, access roads and haul roads
- A perimeter fence including a secure entrance from Churchyard Lane
- A permanent surface water management system to be installed following restoration of the site
- Landscaping, top soiling, planting and seeding when final contours have been reached.

Site access will be via a purpose-built access road in close proximity to the Boreenmanna Road - Churchyard Lane Junction.

On completion, the site will be used as public open space for recreational purposes.

The environmental impact statement prepared in respect of the proposed development may be inspected free of charge or purchased at the offices of An Bord Pleanála, 64 Marlborough Street, Dublin 1, Monday to Friday, 9.15 a.m. to 5.30 p.m. (excluding public holidays and other days on which the offices are closed) for a period of 7 weeks from the 20th July 2007 to 7th September 2007. A copy also may be inspected or purchased from Cork City Council, City Hall, Cork City over that period.

A submission or observation relating to (a) the implications of the proposed development for proper planning and sustainable development in the area concerned and (b) the likely effects of the proposed development on the environment, if carried out, may be made in writing to An Bord Pleanála at the above address within the period specified above.

Dated this 17th day of July 2007

G. O'Beirne,
Director of Services,
Environment,
City Hall,
Cork.

Planning Notices

WATERFORD COUNTY COUNCIL: Thomas Collier & Donal Herlihy are applying for permission to construct 24 no. houses at Kilbarrymeaden Td., Kill, Co. Waterford. The planning application may be inspected or purchased at the offices of the Planning Authority, Civic Offices, Dungarvan, Co. Waterford during normal opening hours. A submission or observation in relation to the application may be made in writing to the planning authority on payment of the prescribed fee of €20 within the period of 5 weeks beginning on the date of receipt by the authority of the application.

APPLICATION TO KERRY COUNTY COUNCIL FOR A WASTE PERMIT

Notice is hereby given that, in accordance with Articles 6 and 7 of the Waste Management (Permit) Regulations 1998 (S.I. 165 of 1998), Conor Bronnigan of 25 Eyre Square, Galway, Co. Galway will apply to Kerry County Council for a Waste Permit to reuse inert waste, such as soil, stone, etc., for the purposes of land reclamation, at Kilcock Lower, Astea, Co. Kerry.

The Classes of activities to which the application relates are as described below and are set out correspondingly in the Fourth Schedule of the Waste Management Acts, 1996-2005.

Classes of activity: Fourth Schedule, waste recovery activities:

2. Recycling or reclamation of organic substances which are not used as solvents, including composting and other biological transformation processes (i.e. use of soil for land reclamation)

4. Recycling or reclamation of other inorganic materials (i.e. use of stone etc. for land reclamation)

10. The treatment of any waste on land with a consequential benefit for an agricultural activity or ecological system. (i.e. land reclamation)

The principal activity is Class 10 of the Fourth Schedule as outlined above.

A copy of the Waste Permit Application, and any such further information relating to the application as may be furnished to Kerry County Council in the course of the Authority's consideration of the application, will, as soon as is practicable after receipt by the authority, be available for inspection or purchase at the Environment Section, Kerry County Council, Maine Street, Tralee, Co. Kerry, during normal working hours.

Planning Notices

DUBLIN CITY COUNCIL:
