Dear Mr Dunne,

**Re: W0235-01 – Waste Licence Application by Dublin Port Company for a facility at Graving Dock No 1, Alexandra Quay East, Berth 50, Alexandra Road, Dublin 1.**

I refer to previous correspondence in relation to the above referenced waste licence application.

I am to advise that having had regard to the scale and nature of the activity concerned the Agency considers that a waste licence is not required by Dublin Port Company for a waste activity at Graving Dock No 1, Alexandra Quay East, Berth 50, Alexandra Road, Dublin 1.

The Agency has advised the applicant that the activity concerned would more appropriately be carried out under a waste permit from the local authority and has returned all copies of the application to the applicant. That being the case, it is no longer the function of the agency to consider any documentation received by it, which relates to the above application.

Any further correspondence in relation to this facility should be forwarded to Dublin City Council.

Yours sincerely,

Ann Kehoe
