re: Withdrawal by Advanced Environmental Solutions (Ireland) Ltd. of a waste licence application in respect of a facility at Advanced Environmental Solutions (Ireland) Limited, Killowen, Portlaw, County Waterford, , Register No. W0212-01, in accordance with Article 21 of the Waste Management (Licensing) Regulations.

Dear Mr. Carey

I am to refer to your letter dated 2 October 2007 received 4 October 2007 notifying the Agency of your withdrawal of the above referenced waste licence application.

The Agency hereby acknowledges that your company has formally withdrawn the above referenced waste licence application pursuant to the relevant Waste Management (Licensing) Regulations. That being the case, it is no longer the function of the Agency to consider any documentation received by it which relates to the above application.

The Office of Environmental Enforcement, who are the appropriate enforcement authority, have been advised of the withdrawal of your licence application.

It should be noted, for future reference, that it is an offence liable to prosecution to carry on a waste activity which requires a waste licence in the absence of such a licence.

Yours sincerely,

Catherine O'Keeffe
Programme Officer
Office of Climate, Licensing & Resource Use
