**Ref: WO 231-01**  
**Proposed Decision by Dr. Ian Marnane / Report.**

Hello Yvonne,

I refer to my email to you on 2<sup>nd</sup> October 2007 regarding a request for a signed copy of Dr. Ian Marnanes Report.

I am to inform you that following your telephone conversation with my colleague Mr. Declan White yesterday your response is totally unacceptable.

Once again this is a formal documented request to the EPA to provide us with a fully signed copy of Dr. Marnanes report (signed by Dr. Marnane) together with a copy of full professional liability insurance indemnifying him in the event of all or any damage to the ground water in Nevitt and the national food supply industry in Fingal (that is the horticulture industry) in Fingal.

The reluctance of the EPA to provide these documents is noted.

Yours sincerely,

Shay Lunney  
On behalf of Nevitt Lusk Action Group.
