**Ref: WO 231-01**  
**Proposed Decision by Dr. Ian Marnane / Report.**

Dear Tracey,

Due to the devastating affect the proposed decision is having on the local community and the vast horticulture industry in Fingal we would like to formally request an extension of time in which to make objections to the above, ref. WO 231-01.

The applicant was given numerous extensions of time to enable them to be compliant and to produce additional information as requested by Dr. Marnane.

Therefore in the interest of fairness and in order for this group to prepare objections to the above we respectfully suggest that the EPA grant this extension without delay.

Yours sincerely,

Shay Lunney
