Dear Yvonne,

Thank you for your response to my emails dated the 5th and 8th of october 2007 respectively. Unfortunately you failed to adequately deal with my request which was for two documents as follows.

- 1-Dr Marnanes report fully signed by DR Marnane.
- 2-A Copy of full professional liability insurance indemnifying Dr Marnane in the event of all or any damage to the Groundwater in the Nevitt and the extensive National food supply industry in Fingal. (that is the horticulture industry) in Fingal.

With regards to the signed report will you please confirm that the signature on the attached report is that of Dr Ian Marnane, and would you be kind enough to respond to item number 2 of my request.

Yours sincerely
