RE: Waterford Utility Services, Six Cross Roads, Waterford.

Dear Sir/Madam:

I refer to yours of November 20th in relation to the above and note that the agency is of the view that an EIA is required in relation to the application for a review of the waste licence. The City Council will defer to the Agency's opinion on the matter. However I would point out that no planning application has been made and it is only in the context of an application that the Planning Authority may require an E.I.S. to be prepared.

Yours faithfully,

J. Andrews,
Senior Planner.
