re: Objection to the proposed decision of the Agency on a waste licence application by Dublin City Council in respect of a facility at Dublin Waste to Energy Project, Pigeon House Road, Poolbeg Peninsula, Dublin 4,

Dear Mr Meade & Signatories,

I am to acknowledge receipt of your objection to the Agency's proposed decision in respect of the above referenced waste licence application. Please find accompanying a copy of thirteen other objections received by the Agency in relation to the proposed decision. I am to state that the Agency will consider the objection/s in accordance with the Waste Management Acts, 1996 to 2007 and the relevant Waste Management (Licensing) Regulations, including notifying you of its decision in due course. One of the criteria for a valid objection is the satisfactory lodgement of the objection fee cheque to the Agency's bank account.

As a party to the objection, you are entitled, but not required, to make a submission in writing to the Agency on the other objections, to be received by the Agency no later than **28 January 2008**.

It should be noted that the Agency cannot consider a submission received after the specified date and so any such submission should be both complete and received by the Agency no later than the specified date.

Under the Waste Management Acts, 1996 to 2007 the Agency has an absolute discretion to hold an Oral Hearing in relation to an objection. The Board of the Agency will consider your request for an oral hearing of the objection in due course and you will be notified of the Board's decision in due course.
