Re: Ref WO 231-01

Dear Mr Nolan,

We refer to your department announcement to grant an Oral Hearing with regard to the above project.

We the Nevitt Lusk Action Group as representatives of the 206 residents within the Nevitt region would greatly appreciate it if you EPA would consider holding the hearing at any of the following locations;

1. City North Hotel, Stamullen
Located off the M1 motorway at the Julianstown exit.
 2. Bracken Court Hotel, Balbriggan
Located in Balbriggan town.
 3. Roganstown Golf and Country Club Hotel.
Located in Roganstown between Rathbeale road and Ballyboughal.
- Each of the venues offers extensive corporate facilities and car parking.

We would also respectfully request that the date for the above hearing be pushed forward to mid March 2008 (if possible) as our legal team are fully booked up with cases until then and they have indicated to us that they we would be unable to accommodate us before then.

We are hopeful that you might take these factors into consideration and this group would like to take this opportunity to thank you and your colleagues and wish you all a very Merry Christmas and peaceful new year.

For and on behalf of the Nevitt residents.

Shay Lunney
