Dear Mr. Cannon

I am to acknowledge receipt of your correspondence and credit card payment for €253.00 to the Agency on 4 January 2008, in relation to the proposed determination which issued on 29 November 2007 to TopChem Pharmaceuticals Limited, for their facility at Ballymote Business Park, Carrownanty, Ballymote, County Sligo, Reg No: P0828-01.

Your letter will be treated as a formal and valid objection, and will be considered as part of the examination, assessment and decision on the IPPC proposed determination by the Agency, **subject to the satisfactory lodgement of the objection fee to the Agency's bank account.**

In the event that the Agency receives third party objections to the Proposed Determination, in accordance with Article 30(1) of the Environmental Protection Agency (Licensing) Regulations 1994 to 2004, once the appropriate period for objections expires, the Agency will, in due course, circulate all objections to all other parties to the objection. Each party to the objection is entitled to make a submission/comments on such objections **within one month** of the copy of the objection being circulated. Submissions on objections must be both complete and received within the stated period.

Please note the application and associated correspondence, including this objection, are available to view on the Agency's website www.epa.ie and also on public file as they arise.

The details of the decision on this application by the Agency will be automatically notified to you in accordance with the requirements of Article 41(1)(a) of the EPA (Licensing) Regulations, 1994 to 2004.

Yours sincerely
