re: Notice in accordance with Article 14(2)(b)(ii) of the Waste Management (Licensing) Regulations

Dear Mr. Geary,

I am to refer to the above referenced application for a waste licence relating to a facility at Greenstar Limited (Enniscorthy), Clavass, Enniscorthy, Co. Wexford. Having examined the documentation submitted, I am to advise that the Agency is of the view that the documentation does not comply with Article 12 and Article 13 of the Waste Management (Licensing) Regulations.

You are therefore requested, in accordance with Article 14(2)(b)(ii) of the regulations, to take the steps and supply the information detailed below:

ARTICLE 12 COMPLIANCE REQUIREMENTS

1. Ensure that all required information is included in the non-technical summary as detailed in Article 12(1)(u) of the Waste Management (Licensing) Regulations, S.I. 395 of 2004.
2. Provide details of a groundwater monitoring programme for the site. The programme shall include an A3 drawing of the site, showing the proposed monitoring locations. The methodology used for selection of these monitoring locations should also be outlined.
3. Clarify the route and final destination of all on-site drainage at the facility, including any off site treatment. Submit a clearly labelled drawing for the proposed development showing the proposed drainage systems, emission points, sampling points and monitoring points.
4. Provide details of the proposed odour treatment system to be used at the facility, including the location of the system.

5. Provide details of the proposed on-site noise barrier (i.e. is it reflective or absorptive).

ARTICLE 13 COMPLIANCE REQUIREMENTS

1. Where necessary update the EIS documents, having regard to the information requested under 'Article 12 Compliance Requirements' above.

Your reply to this notice should include a revised non-technical summary (Application Form and EIS) which reflects the information you supply in compliance with the notice, insofar as that information impinges on the non-technical summary.

In the case where any drawings already submitted are subject to revision consequent on this request, a revised drawing should be prepared in each case. It is not sufficient to annotate the original drawing with a textual correction. Where such revised drawings are submitted, provide a list of drawing titles, drawing numbers and revision status, which correlates the revised drawings with the superseded versions.

Please supply the information in the form of a one original plus two copies within **three** weeks of the date of this notice. In addition submit sixteen copies of the requested information to the Agency in electronic searchable PDF format on CD-ROM. Please note that all maps/drawings should not exceed A3 in size.

Please note that the application's register number is **W0241-01**. Please direct all correspondence in relation to this matter to Elizabeth Leacy, *Licensing Programme, Office of Climate, Licensing & Resource Use, Environmental Protection Agency, Headquarters, PO Box 3000, Johnstown Castle Estate, County Wexford* quoting the register number.

Yours sincerely,

Yvonne Furlong

Inspector
