

*Extract from the 532<sup>nd</sup> Licensing Meeting of the Agency held on 22<sup>nd</sup> January 2008, in Dublin Regional Inspectorate, Richview, Clonskeagh Road, Dublin*

**Request for Oral Hearing**

***Murphy Concrete Manufacturing Ltd - Reg No W0129-01***

The Directors considered documentation from the Office of Climate, Licensing and Resource Use detailing a request for an Oral Hearing of objections to the Proposed Decision on an application for a Review of Waste Licence, for Murphy Concrete Manufacturing Limited for their facility at Hollywood Great, Nags Head, The Naul, Co Dublin, Register of Licence No W0129-02. The Directors noted that two valid objections, including one from the applicant, were received in relation to the Proposed Decision that issued on 27 November 2007. It was noted that the objection made on behalf of Nevitt Lusk Action Group requested an Oral Hearing, having paid the required additional fee. It was noted that the inspector dealing with the application had examined the objections and the request, and recommended that they did not meet the criteria that influence or govern an Agency decision to hold an Oral Hearing. Following detailed discussion, the Directors accepted the recommendation, as detailed in the Inspector's Report dated 15 January 2008.
