re: Notice in accordance with Article 14(2)(b)(ii) of the Waste Management (Licensing) Regulations

Dear Mr McElwain,

I am to refer to the above referenced application for a waste licence relating to a facility at Scotch Corner Landfill, Letterbane, Annyalla, Castleblaney, Co. Monaghan.

I note from our file that a complete reply to our letter of 25-10-2007 has yet to be received. I refer in particular to the matter of a possible requirement for an EIS, to be confirmed by An Bord Pleanála. Please refer to your partial reply received 10-12-2007 via consultants RPS. I would be pleased to receive the outstanding material at your earliest convenience.

In your Article 14 reply received 10-12-2007 you explained the basis for the fees tendered in respect of the review application. Firstly I should advise that VAT is not payable on EPA licence fees. You will be credited €4,725.00 for this over payment. However I note that the appropriate Recovery Activity fee (for the MBT element of the review application) was not tendered: this being a sum of €6000.00. Therefore allowing for your credit there is a fee of €1275.00 due to the Agency in respect of the review application.

You are requested, in accordance with Article 14(2)(b)(ii) of the regulations, to take the steps and supply the appropriate fee and outstanding information detailed above. Please supply any information request in the form of a one original plus two copies.

Please note that the application's register number is **W0020-02**. Please direct all correspondence in relation to this matter to *Administration, Licensing Unit, Office of Climate, Licensing & Resource Use, Environmental Protection Agency, Headquarters, PO Box 3000, Johnstown Castle Estate, County Wexford* quoting the register number.

Yours sincerely,

Dr Jonathan Derham
Inspector
Office of Climate, Licensing & Resource Use
