**F07A/1551 ADDITIONAL INFORMATION**

**Development:**

Permission at Block L (previously permitted under Ref. F05A/1363). Amalgamation of the two units within Block L (with an overall building height of 16.5 metres) and their change of use from industrial/warehousing use to a Materials Recovery Facility. The development will facilitate the processing of up to 95,000 tonnes per annum of construction and demolition waste and commercial and industrial waste. This activity will require a Waste Licence.

SIGNIFICANT FURTHER INFORMATION including Revised Plans and an Environmental Impact Statement have now been received and are available for inspection during our public opening hours.
