Re: Reg No: W0041-01

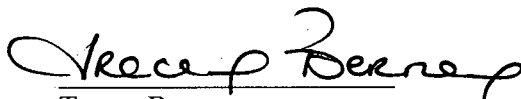

Dear Mr. Burke

I refer to your letter submitted to the Agency in respect of your existing licence, which was received by the Agency on the 31st January 2008.

The Agency has considered your request and wish to advise that the change can be accommodated without a licence review. The Agency has amended your licence under Section 42B(1)(c) of the Waste Management Acts 1996 to 2007 to incorporate the limited change requested. These amended conditions form part of your licence and shall be read in conjunction with your existing licence.

Attached is the formal Waste Licence Technical Amendment, which should be attached to the existing Licence Reg. No. W0041-01. This replaces Technical Amendment C which was issued to you on 18th March 2008.

Yours sincerely,

Tracey Berney
