re: Your Client – CRAI Limited
EPA Oral Hearing – Proposed decision on Poolbeg Waste Incinerator

Dear Sir

I refer to your letter of 28 April 2008 in relation to the above.

Having regard to Article 29(1) of the Waste Management (Licensing) Regulations, 2004 (S.I. 395 of 2004), the Chairperson of the Oral Hearing may only require the following to attend the Hearing:

- An employee of the Agency
- An employee of the Local Authority in whose functional area the relevant activity is or will be carried on.

In these circumstances, the Agency and the Chairperson has no function in requiring the attendance of Dr Broderick in this case. If you or any other party to the oral hearing wish to invite Dr Broderick to make a submission to the hearing on Thursday 1st May he will be accommodated on that day.

As already advised the hearing will re-open on Thursday 1st May 2008.

Yours sincerely,

Noeleen Keavey
