- I have 4 young children 7 and under my concerns about their health + safety
- near a landfill
- The threat of increased vermin - Rats + Mice etc
- The smells coming from the dump
- The devaluation of my property
- Extra volume of heavy vehicles using our local small roads
- Putting a dump on a natural Spring that supplies drinking water to Nth County Dublin + surrounding areas

Thanking you Mr. Chairman, I plead with you to indicate to the EPA the disaster this proposed landfill would be on our environment
