Subject : Wastewater Authorisation Regulations Application- Agglomeration of Midleton D0056-01

Dear Sir or Madam ,

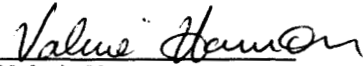

The attached documents are a revised application form of the Cork County Council application for Midleton wastewater treatment plant and agglomeration (Register Number D0056-01)

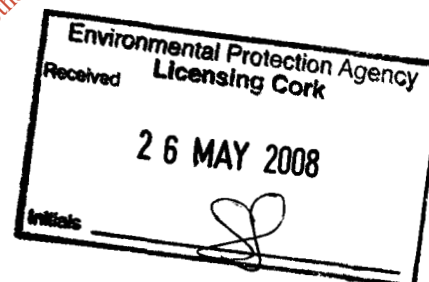

This is composed of complete copies of the application form and copies of the re issued maps B3,B4,B5 and B8 . The EIS and modelling report have not been resubmitted as part of the revised application form as the EIS was submitted as part of the original application and a modelling report under section F and there are no changes in either aspect of these reports . For clarification purposes the maps have been sent on an individual basis with each revised application even though the maps are placed in the appropriate location in the revised application form

An original and 2 hard copies are provided . As required 2 PDF discs are also supplied with the drawings and text and an autocad version of the maps.

Should you have any queries or clarification my contact details are supplied below
Phone no. 021-4532700/E mail valerie.hannon@corkcoco.ie

Yours Sincerely

Valerie Hannon,
A/Snr Executive Scientist,
Environment Directorate,
Cork County Council.

c.c. Madeleine Healy , Senior Executive Engineer, Water Services South ,Cork County Council
