Hi Heather

A letter from the applicant stating AMC are the consultants processing this application will suffice.

We will not need a new copy of the application to confirm postal and location addresses, a letter will also suffice

Many thanks

Kind Regards

Hi Noeleen

Thanks for that. Can the letter come from AMC or does it have to come from the applicant?

Also, I have checked the conflicting site addresses. The postal address is Units 16-17, but the location is Units 14-17. Is it ok for me to just state this fact in the letter of response to you or do you need a new copy of the full application form?

Thanks for your help.

Kind regards
Heather
