Technical Amendment Request for use of Polydensifier Vent

Dear Mr. McPeake,

I am writing with reference to your letter of 8/2/2008, regarding use of an air duct from a Polydensifier Unit at your Dock Road Facility and the possibility of requiring a Technical Amendment to your licence W0082-02. Based on our telephone conversation on 8/5/2008 where you informed me that the Polydensifier Unit and vent were no longer in use and you no longer intended to use the unit or vent, you therefore do not require a Technical Amendment to your licence, based on this issue. The licensing unit now consider this request for a Technical Amendment to use the vent associated with the Polydensifier Unit withdrawn.

Regards
