Re. Notice in accordance with Regulation 18(3)(b) of the Waste Water Discharge (Authorisation) Regulations 2007 .
Carrigtohill Agglomeration.

Dear Ms. Donlon,

I refer to your correspondence dated 16th May 2008 re the above.

As was explained to you last week by Mr. Pat O'Mahony, Cork County Council did not receive the original of this correspondence and only became aware of it when a colleague found it on the EPA web site earlier this month. I immediately arranged to have the issues raised in this letter attended to but unfortunately, it will not be possible to have the return completed by the 11th July as requested.

I understand you indicated that, in the circumstances, you would be in a position to extend the date for the return of the information sought. Accordingly, I would appreciate it if you would agree to an extension to the end of August to allow for staff shortages during the July / August holiday period.

Yours sincerely,

Patricia Power
Director of Services.
