15 May 2007

Reg. No: P0280-01

Dear Mr Roche

I refer to your letter dated 11 April 2007 requesting a review of your existing IPC licence (Reg. No. P0280-01) in accordance with Article 15 of the Environmental Protection Agency (Licensing) Regulations, 2004.

I am to advise that based on the information provided the Agency has determined that a review of your licence (Reg. No. P0280-01) is necessary and that an application for a review should be submitted to the Agency in accordance with Section 90(1)(b) of the EPA Acts 1992 and 2003. This review is necessary in the light of:

- The installation of an additional paint booth;
- The addition of new extraction points.

You should note that it will be the entire IPC licence that will be subject to the review and the application and any submission should be prepared on this basis.

For the purposes of this review you are required to use the Agency's application form for a review of an IPPC licence. The Application form is available to download from the Agency's website: www.epa.ie/Licensing/IPPC/Licensing/ApplicationForms&GuidanceDocuments/IPPCReviewApplicationForm2006. In particular you are required to include the following information:

1. The following sections of the IPPC Application form:
 - Section E.1. – Emissions to Atmosphere and all related tables;
 - Section F – Control and Monitoring and all related tables;
 - Section G – Resource Use and Energy Efficiency and all related tables;
 - Section I.1. – Assessment and Atmospheric Emissions;

- Section I.8. – Environmental Considerations and BAT;
 - Section J – Accident Prevention and Emergency Response;
 - Section L – Statutory Requirements;
 - Non Technical Summary;
2. Air dispersion model;
 3. List of any amendments to the licence as agreed with the EPA since the last licence was issued in 1998, providing updated drawings and schematics as necessary.

I should also advise that in accordance with section 87(1)(a) of the EPA Acts 1992 and 2003, you are required to do the following:

- Notify, in writing, the planning authority in whose functional area the activity is or will be situated, that an application is to be made to the Agency for the review of your existing licence or a revised licence under section 90 of the EPA Acts 1992 and 2003. Please forward a copy of this notification to the Agency with the information requested above. and;
- publish a notice advising that an application is to be made to the Agency for a review of your existing licence in a newspaper circulating in the district in which the activity is situated. You are requested to publish this notice within the period of two weeks before the submission of your application. Please forward a copy of this publication to the Agency with the information requested above.

All information and data should be submitted in the following format one original, 2 hard copies and 2 copies on CD-ROM in electronic searchable PDF format.

I am also to advise that your application is to be accompanied by the appropriate fee (as outlined in the EPA Licensing (Fees) Regulations 1994 to 2006).

Yours sincerely

Catherine O'Keeffe
Office of Licensing & Guidance

Please find below an Example of the text for a Newspaper Notice. Please edit as appropriate.

APPLICATION TO THE ENVIRONMENTAL PROTECTION AGENCY FOR THE REVIEW OF A LICENCE

- name and address of the applicant/licensee,
- location or postal address (including, where appropriate, the name of the townland or townlands) and the National Grid reference of the premises to which the application relates,
- class or classes and nature of the activity in accordance with the First Schedule of the Act,
- where the application is required to be accompanied by an environmental impact statement in accordance with this Part—
 - (i) A statement will be submitted to the Agency with the application,
 - (ii) state that the environmental impact statement, and any further information relating to the effects on the environment of the emissions from the activity which may be furnished to the Agency in the course of the Agency's consideration of the application, will be available at the headquarters of the Agency, and
 - (iii) the name of the planning authority to which a copy of the environmental impact statement has been, or will be, submitted, and
- that a copy of the application for the licence may be inspected at or obtained from the headquarters of the Agency as soon as is practicable after the receipt by the Agency of the application for the licence.
- The reference number given under article 42(2) to the existing licence or revised licence in the register of licences
