Dear Ms. Smith,

As discussed during our phone conversation yesterday, please find enclosed the following documents:

- 1 Nr. (paper) original & 1 Nr. (paper) copy of TOBIN Consulting Engineer's response to the Article 14(2)(b)(ii) notice issued previously by the Agency;
- 16 Nr. CD ROMs containing above response in pdf format. The content of the CD ROMs exactly match the content of the paper copies.
- 1 Nr. (paper) original & 1 Nr. (paper) copy of the Newport Sewerage Scheme EIS [as published May 2007] (previously requested as additional information by the Inspector);
- 16 Nr. CD ROMs containing above Newport Sewerage Scheme EIS in pdf format. The content of the CD ROMs now exactly match the content of the EIS paper copies.

In checking through the Newport Sewerage Scheme EIS documents, it was noted that the following pages were missing from the paper documents:

- Newport SS EIS – Volume II – Main Text – pages 37 & 38 missing;
- Newport SS EIS – Volume III – Appendices – Appendix 8 – page 54 missing.

We have now inserted these pages into both paper documents enclosed herewith, and we have also included loose copies of these pages and would appreciate if you could insert these into any paper copies of the Newport SS EIS that you have retained up until now. As stated
