Re: Notice in accordance with Section 34(2) of the Waste Management Licensing Regulations, 2004 regarding a Technical Amendment to a Waste Licence in the name of Clare County Council, for a facility at Central Waste Management Facility, Ballyduff Beg, Inagh, Co. Clare.

Dear Ms. Oglesby,

I acknowledge receipt of your letter dated 17th July 2008 addressed to Mr. Michael McNamara. The letter states that a Technical Amendment of Waste Licence No. W0109-01 has been made concerning the area of the working face of the landfill.

However, the wording of the amendment refers to a total maximum area of 625 cubic metres, whereas what I assume to have been intended was 625 square meters.

I would appreciate if you could arrange to have this typographical error corrected and the amendment reissued.

Yours sincerely,

Betty Devanny.
A/Senior Executive Officer,
Environment & Emergency Services Directorate.
