**RE: Advanced Environmental Solutions (Ireland) Limited - Review of Waste Licence No. 104-1**

Dear Sir/Madam

Please find enclosed Advanced Environmental Solutions (Ireland) Ltd. application for a waste licence review (Licence Reference No. 104-1) for their waste management facility at Cappancur, Tullamore, Co. Offaly. The following documentation has been included:

- 3 hard copies (1 original and 2 copies) of the waste licence application form and attachment
- 2 electronic pdf copies of the waste licence application form and attachment
- 3 hard copies (1 original and 2 copies) of the environmental impact statement
- 16 electronic pdf copies of the environmental impact statement
- A cheque for the application fee of €16,000

This review application was triggered by the compulsory acquisition of part of the site by the NRA/Offaly County Council (the acquisition has a direct impact on the site boundary and on the existing waste water treatment plant). AES has taken this as an opportunity to make proposals for other changes including an increased waste throughput.

The content of the electronic files on the accompanying CD-ROMs are true copies of the original application form and EIS.

Please forward any further correspondence in relation to this application to Fehily Timoney and Company, Core House, Pouladuff Road, Cork for the attention of Mr. Derek Milton or the undersigned.

Yours sincerely

  
Ms. Maeve English  
for and on behalf of Fehily Timoney & Company
