**Re: Waste Licence Application for Luddernaore, Grange, Kilmallock, Co. Limerick –  
 Mr Binman**

A Chara,

I refer to your letter of 17 July 2008 in relation to the above-mentioned waste licence application. Outlined below are the nature conservation recommendations of the Department of the Environment, Heritage and Local Government.

There are no comments at this stage but should a reed bed system be deemed necessary due to laboratory findings then the location and methodology of construction would have to be considered carefully.

Mise le meas
