Re: - Application for an IPPC Licence in respect of Glanbia Fresh Pork Limited at Ruskev, Co. Roscommon. PO182-01

Dear Marie,

Further to our conversation yesterday and this morning it is unclear whether or not we need a Licence to operate this treatment Plant from yourselves or Roscommon County Council ?

Just to clarify it is our intention to take in waste water / sludge / effluents ect from licensed operators throughout the country such as County councils Thornton's recycling, McBreen Environmental Drain Services Ltd to name a few treat this and disperse into the Shannon as Glanbia were doing so previously.

We would envisage that the volumes would be quite low to start with as it is a start up business but could reach volumes of up to 1100m3 per day in the coming years.

If you require any further information please do not hesitate to contact me on 0878394400

Yours sincerely,

Adrian Cox
