Dear Mr. Power

I am to refer to the above referenced application for a review of waste licence **W0214-01** relating to a facility at Ted O'Donoghue and Sons Limited, Knockpogue, Waterfall, County Cork. I am directed to advise you that it appears to the Agency that the notices published and erected or fixed in relation to the application are misleading or inadequate for the information of the public in the following respects:

The Agency therefore requires you, in accordance with Article 8 of the regulations, to:

- (i) Publish a corrected newspaper notice as soon as is practicable;
- (ii) Erect a corrected site notice as soon as is practicable and keep it in place for a period of two months from the date on which the corrected newspaper notice is published.

The Agency further requires you to submit the following evidence in relation to compliance with the above requirement:

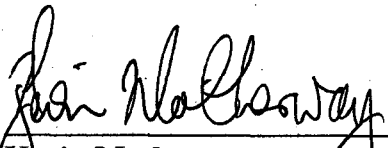

- (i) A copy of the site notice, as it appears at the site;
- (ii) An original of the newspaper notice.

The evidence requested should be submitted within seven days of the date of this notice, in the form of a one original plus two copies. In addition submit two copies of the requested information in electronic searchable PDF format on a CD-ROM to the Agency. Please note that all drawings/maps should not exceed A3 in size.

Please direct all correspondence in relation to this matter to Administration, *Licensing Unit, Office of Climate, Licensing & Resource Use, Environmental Protection Agency, Headquarters, PO Box 3000, Johnstown Castle Estate, County Wexford* quoting the register number.
