Re: AES Nenagh Waste Licence Application W240-01

Dear Ms. Babiarczyk,

Further to our telephone conversation, I would like to clarify that Bord na Móna has acquired the entire share capital of Advanced Environmental Solution (Ireland) Ltd. This is consistent with information provided in the Waste Licence Application (November 2007) and the reply to a request for further information (April 2008).

If you have any further queries, please do not hesitate in contacting me.

Yours sincerely,

Dr. John MacNamara

Environmental Director

Advanced Environmental Solutions (Ireland) Ltd.
