RE: Waste Water Discharge (Authorisation) Regulations 2007 (SI. 684 of 2007)

Dear Sir,

I refer to above and to Regulation 13 in particular. This Regulation requires Cork County Council to give written notice to Limerick County Council in relation to Cork County Council's intention to apply to the Environmental Protection Agency (EPA) for a Wastewater Discharge Licence. This licence is in respect of the Waste Water Works serving Charleville and environs.

The wastewater works comprises all public sewerage upstream of and including the Waste Water Treatment Plant at Charleville (Grid Ref: 154060E, 124412N). The WWTP treats wastewater to a secondary standard and treated effluent discharges to the River Maigne through a concrete pipe/concrete channel outfall.

The application will be submitted to the EPA on/before 22nd September, 2008.

This application, including any further information as may be furnished to the EPA in respect of the Application, will, as soon as is practicable after receipt by the EPA, be available for inspection or purchase at:

EPA Headquarters, PO Box 3000, Johnstown Castle Estate, Co. Wexford (Tel 053-9160600; Fax 053-9160699; Email info@epa.ie)

Cork County Council, Northern Division Annabella, Mallow, Co. Cork (Tel 022-21123; Fax 022-21983; Email nothcork@corkcoco.ie)

Submissions in relation to the Application may be made to the EPA at its headquarters. If you require any clarification in respect of the above, please contact the undersigned.

Yours faithfully,

Frank Cronin
