Re: W0012-02 – Kinsale Road Landfill

Dear Mr. O'Sullivan,

I acknowledge receipt of your letter dated 19<sup>th</sup> September 2008 in relation to Waste Licence Reg. No. W0012-02, and your request for a Technical Amendment.

Your request for a technical amendment of your licence has been assessed.

I am to advise you that the Agency cannot accede to your request for a technical amendment. The proposed changes would more appropriately be assessed as part of a licence review. Should you wish to proceed with the proposed changes please complete the waste licensing application form (available to download at [www.epa.ie](http://www.epa.ie)) as necessary, to reflect the nature of the proposed facility and identifying the changes compared with the licensed facility. The review application should be accompanied by the appropriate fee, in accordance with Article 41 of the Waste Management (Licensing) Regulations 2004. Guidance on the structure, format and number of copies required for waste licence applications is also available on our website.

Please direct all correspondence in relation to this matter to Administration, Environmental licensing Programme, Office of Climate, Licensing & Resource Use, Environmental Protection Agency, PO Box 3000, Johnstown Castle Estate, Co. Wexford.

Should you have any queries on this, please contact Dr. Jonathan Derham, Senior Inspector, on 053 – 9160600.

Yours sincerely,

---
